

Software Test Engineer

https://jobs.solarwinds.com/job-detail/?gh_jid=4517524005

Your Impact:

SolarWinds is looking for a Software Test Engineer with solid testing and test automation knowledge. Become a member of a scrum team responsible for SolarWinds Observability (Self-Hosted & SaaS) Online Demo (e.g. <https://hco.demo.solarwinds.com>) and other Online Demos for products that are the key part of the SolarWinds products portfolio. You will be responsible for product quality delivery, technical oversight on automation tests, improving the test processes, and helping the team to follow the best automation practices. Besides that, you will also be responsible for testing Lab and production environments. As we extend the team, there will also be a possibility of preparing tests for SWI Cloud-based products.

Your Experience

- We require you to have commercial experience in software testing focused on web-based applications.
- We also expect you to have problem-investigation, debugging, and solving skills
- Solid knowledge of some programming language – ideally C# and Python
- Working experience with relational databases (MS SQL, MySQL,...).
- You need to have experience working with Test Automation tools, general knowledge of OOP, and a solid understanding of the development processes.
- Have good written and verbal English, as we are a multinational company.
- At least a bachelor's degree or 2-year experience as a Test Engineer or Developer

Nice to have:

- Knowledge of SpecFlow framework (or similar), Gherkin
- Experience with CI/CD principles.
- Experience with a source control tool, like Git, SVN, TFS, or similar

Experience with agile methodologies, Jira, Confluence, TeamCity

Our benefits:

- 25 days of vacation per year
- 3 sick days per year
- 10 study days per year
- 2 volunteering days per year
- 4 weeks holidays after 5-year tenure Sabbatical Leave
- Up to 48 300CZK personal education budget per year
- Pension or life insurance matching donation up to 3% of the salary or 4000CZK per month
- Cash allowance for meal 95CZK per working day
- Unlimited access to LinkedIn Learning
- English/Czech classes
- Multisport card
- Solarian Referral Program
- SolarWinds Appreciation Program
- Giving – Donation Matching
- Employee Assistance
- Competitive Race Reimbursement
- Breakfast on Wednesdays
- Fresh fruits and snacks on Mondays
